

What's New at the HRMS Portal

- The picture of the Capitol will be replaced by a picture of Mt. Rainier.
- **Forgot Password** link will go to the reset password page. This replaces “Logon Problems? Get Support.” Employees can request password resets and have them emailed to their ESS email address in minutes.
- **Having Trouble Logging In?** will go to a document with tips on how to log in.
- **More ESS Information** link will go to the DOP Employee Self Service help documents page that has instructions on how to log in and how to reset password etc:
